

Potassium antimonyl tartrate trihydrate, puriss., meets analytical specification of USP, 99.0-103.0%, powder

Potassium antimonyl tartrate trihydrate, puriss.,
meets analytical specification of USP,
99.0-103.0%, powder

Identificativi Prodotto

Reference: 11126-250G

Descrizione

Dati Tecnici

CAS Number: 28300-74-5

Molecular Formula: C₈H₄K₂O₁₂Sb₂

Purity Grade: puriss., meets analytical specification of USP, 99.0-103.0%, powder

Molecular Weight: 667.87

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X250G
