

Dipentene, technical, for use as solvent (for the paint industry), mixture of various terpenes

Dipentene, technical, for use as solvent (for the paint industry), mixture of various terpenes

Identificativi Prodotto

Reference: 334111-1L

Descrizione

Dati Tecnici

CAS Number: 138-86-3

Molecular Formula: CH₁₆

Purity Grade: technical, for use as solvent (for the paint industry), mixture of various terpenes

Molecular Weight: 136.23

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X1LT
