

Dimethyl sulfoxide, meets EP testing specifications, meets USP testing specifications

Dimethyl sulfoxide, meets EP testing specifications, meets USP testing specifications

Identificativi Prodotto

Reference: D1435-500ML

Descrizione

Dati Tecnici

CAS Number: 67-68-5

Molecular Formula: C₂H₆OS

Purity Grade: meets EP testing specifications, meets USP testing specifications

Molecular Weight: 78.13

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X500ML
