

Ethylenediaminetetraacetic acid ferric sodium salt, BioReagent, suitable for plant cell culture, crystalline

Ethylenediaminetetraacetic acid ferric sodium salt, BioReagent, suitable for plant cell culture, crystalline

Identificativi Prodotto

Reference: E6760-100G

Descrizione

Dati Tecnici

CAS Number: 15708-41-5

Molecular Formula: CH₁₂FeN₂NaO₈

Purity Grade: BioReagent, suitable for plant cell culture, crystalline

Molecular Weight: 367.05

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X100G

Storage Temperature: room temp
