

Monoclonal Anti-beta-Tubulin-FITC antibody produced in mouse, clone TUB 2.1, purified immunoglobulin, buffered aqueous solution

Monoclonal Anti-beta-Tubulin-FITC antibody
produced in mouse, clone TUB 2.1, purified
immunoglobulin, buffered aqueous solution

Identificativi Prodotto

Reference: F2043-.2ML

Descrizione

Dati Tecnici

Purity Grade: clone TUB 2.1, purified immunoglobulin, buffered aqueous solution
Shipped on ICE/no ICE: DICE
SAP Pack with Pack Qty: 1X.2ML
Storage Temperature: -20C
