

O-Glycosidase from Streptococcus pneumoniae, recombinant, expressed in E. coli, buffered aqueous solution

O-Glycosidase from Streptococcus pneumoniae, recombinant, expressed in E. coli, buffered aqueous solution

Identificativi Prodotto

Reference: G1163-.04UN

Descrizione

Dati Tecnici

CAS Number: 9032-92-2

Purity Grade: recombinant, expressed in E. coli, buffered aqueous solution

Shipped on ICE/no ICE: WICE

SAP Pack with Pack Qty: 1X.04UN

Storage Temperature: 2-8C
