

L-Histidine, suitable for cell culture, meets EP, USP testing specifications, from non-animal source

L-Histidine, suitable for cell culture, meets EP, USP testing specifications, from non-animal source

Identificativi Prodotto

Reference: H6034-25G

Descrizione

Dati Tecnici

CAS Number: 71-00-1

Molecular Formula: C₆H₉N₃O₂

Purity Grade: suitable for cell culture, meets EP, USP testing specifications, from non-animal source

Molecular Weight: 155.15

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X25G
