

Isocitric Dehydrogenase (NADP) from porcine heart, Type IV, buffered aqueous glycerol solution, 3-20 units/mg protein

Isocitric Dehydrogenase (NADP) from porcine heart, Type IV, buffered aqueous glycerol solution, 3-20 units/mg protein

Identificativi Prodotto

Reference: I2002-100MG

Descrizione

Dati Tecnici

CAS Number: 9028-48-2

Purity Grade: Type IV, buffered aqueous glycerol solution, 3-20 units/mg protein

Shipped on ICE/no ICE: WICE

SAP Pack with Pack Qty: 1X100MG

Storage Temperature: 2-8C
