

Lactic acid, meets USP testing specifications

Lactic acid, meets USP testing specifications

Identificativi Prodotto

Reference: L6661-100ML

Descrizione

Dati Tecnici

CAS Number: 50-21-5

Molecular Formula: C₃H₆O₃

Purity Grade: meets USP testing specifications

Molecular Weight: 90.08

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X100ML

Storage Temperature: room temp
