

Endoproteinase Asp-N from Pseudomonas fragi mutant strain, suitable for protein sequencing, lyophilized powder

Endoproteinase Asp-N from Pseudomonas fragi mutant strain, suitable for protein sequencing, lyophilized powder

Identificativi Prodotto

Reference: P3303-1VL

Descrizione

Dati Tecnici

CAS Number: 9001-92-7

Purity Grade: suitable for protein sequencing, lyophilized powder

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X1VL

Storage Temperature: 2-8C
