

TRI Reagent(R), For processing tissues, cells cultured in monolayer or cell pellets

TRI Reagent(R), For processing tissues, cells cultured in monolayer or cell pellets

Identificativi Prodotto

Reference: T9424-200ML

Descrizione

Dati Tecnici

Purity Grade: For processing tissues, cells cultured in monolayer or cell pellets

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X200ML

Storage Temperature: 2-8C
