

Monoclonal Anti-VDR antibody produced in mouse, clone 2F4, purified immunoglobulin, buffered aqueous solution

Monoclonal Anti-VDR antibody produced in mouse, clone 2F4, purified immunoglobulin, buffered aqueous solution

Identificativi Prodotto

Reference: WH0007421M2-100

Descrizione

Dati Tecnici

Purity Grade: clone 2F4, purified immunoglobulin, buffered aqueous solution
Shipped on ICE/no ICE: DICE
SAP Pack with Pack Qty: 1X100UG
Storage Temperature: -20C
