

## Zeatin, suitable for plant cell culture, BioReagent, powder

Zeatin, suitable for plant cell culture, BioReagent, powder

### Identificativi Prodotto

Reference: Z0164-5MG

### Descrizione

### Dati Tecnici

CAS Number: 13114-27-7

Molecular Formula: CH<sub>13</sub>N<sub>5</sub>O

Purity Grade: suitable for plant cell culture, BioReagent, powder

Molecular Weight: 219.24

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X5MG

Storage Temperature: -20C
