

Streptavidin, immobilized on Agarose CL-4B, suitable for affinity chromatography

Streptavidin, immobilized on Agarose CL-4B,
suitable for affinity chromatography

Identificativi Prodotto

Reference: 85881-1ML

Descrizione

Dati Tecnici

Purity Grade: suitable for affinity chromatography
Shipped on ICE/no ICE: STD
SAP Pack with Pack Qty: 1X1ML
Storage Temperature: 2-8C
