

RNAzol® RT For processing total and small RNA from human, animal, plant, bacterial, and viral samples

RNAzol® RT For processing total and small RNA from human, animal, plant, bacterial, and viral samples

Identificativi Prodotto

Reference: R4533-100ML

Descrizione

Dati Tecnici

CAS Number: 83-88-5

Molecular Formula: C₁₇H₂N₄O₆

Purity Grade: For processing total and small RNA from human, animal, plant, bacterial, and viral samples

Shipped on ICE/no ICE: STD

SAP Pack with Pack Qty: 1X100ML

Storage Temperature: room temp
